LOCAL BRIEVITIES.

Matters of Minor Moment in and About the City.

THERE was only one case in the police
court yesterday, and it was postponed
till this morning.

LAST night Officer Kempe locked up
a disorderly, and Officer Bauers ran in a
vagrant for begging on the street.

HARVEY Roy and Jesse Dixon, before
Squire Gillespie for operating a crap
game, gave bond in \$300 each to await
the action of the grand jury.

MIXIE REED's case, on a charge of
profane swearing, made by Catherine
Moore, was continued in Squire Fitz-
patrick's court until this evening.

VERY neat posters are out announcing
the celebration of the Wheeling centen-
nial at Mozart park, July 23. The event
is looked forward to with unusual in-
terest.

CHARLES A. O'BRIEN, the popular let-
ter carrier, has his new residence on
Woods street, in the Eighth ward,
under roof, and it will soon be ready for
occupancy.

SEVERAL additional members of the
Jack Bass fishing club joined the party
in camp up Wheeling creek yesterday
morning. Nearly the full membership
is there now.

The committee has selected Sunday,
July 21, for the last grand excursion
of the season to Canton and Myers
Lake via the Wheeling and Lake Erie rail-
way, at the low price of \$1.50 for the
round trip.

OLIVER STRAUER was before Squire
Fitzpatrick last night on a charge of
entering the ice house of H. Teasdale and
stealing ice. He claimed he only picked
up ice which he found where it had been
dropped outside.

EVERING STRAUER, K. of P., had a
most enjoyable banquet last night after
initiating a number of candidates. All
the members and a few friends did
ample justice to the feast, which was
spread in honor of the new knights.

JAMES POOLE, aged sixteen, came here
yesterday from Sandoval, Ill., looking
for his mother or brother, who used to
live here. He had a hard time getting
here, and then was disappointed. The
police department cared for him yester-
day.

The Jug Fishing Club, which is in
camp at Middlebourne, shipped to Will
and Forney winder a box of fish and a
fine batch of soft shell turtles yesterday,
which they distributed among their
friends. The largest of the fish will be
served at the Buffet to-day and the soft
shell turtles on Saturday.

ABOUT PEOPLE.

Strangers in the City and Wheeling Folks Abroad.

The first of the summer excursions
from Wheeling to Atlantic City over the
Baltimore and Ohio road left the city yester-
day in three sections, parties going
out at 4:55 a. m., 1:35 p. m. and 5:45
p. m. trains. Altogether the excu-
sionists numbered nearly seventy-five,
one of the largest sent out of Wheeling
on this popular road.

Mr. M. L. Ott leaves this evening for
Boston.

Mr. George E. Stifel and family will
leave in a day or two for Capon
Springs, Va., to spend several days.

Mr. F. T. Seagriff, of the East Liver-
pool News-Review, is in the city taking
the printers' convention for his paper.

Mrs. John Carmack and daughters,
Misses Lizzie and Anna, are spending a
month with John D. Lewis, at Bethany.

Mr. and Mrs. N. R. Scott and Mr. and
Mrs. George Wise and their sons left
yesterday for Watch Hill, Rhode Island.

Mrs. Euston and daughters, of St.
Louis, who have been the guests of
friends in the city, left yesterday for the
east.

Most Rev. Archbishop John J. Kain,
of St. Louis, who spent a few days here
visiting relatives and old friends, left
for home yesterday.

Mr. F. C. Myers, of the Fire and Marine
Insurance Company of this city, is at the
Pountain Springs, Mt. Clemens,
Mich., taking a course of baths.

Mr. Anton Rorrmann will leave on
Monday for New York, whence he will
sail for Europe, to bring back his chil-
dren, who have been at school there.

Mary A. Welty, a little miss of seven
years, daughter of Mr. and Mrs. Will
Welty, gave a birthday reception to her
friends at her mother's residence on
North Main street yesterday from 3 to 8
o'clock. About forty couples were pres-
ent and a very pleasant time was had
by all the guests, in leaving with their
tiny little hosts many happy returns
of the occasion.

An Elephant on His Hands.

It appears that the sheriff of Monroe
county who seized a Belaire Zanesville
& Cincinnati railway locomotive at
Woodfield for taxes due that county,
has bitten off more than he can chew.
He offered to return the engine and say
nomore about it, but the company re-
fused to take it off his hands. The point
being made by the railroad is that the
sheriff detached the engine from the
mail train, thus delaying the United
States mail service several hours. The
sheriff is not afraid of the railroad com-
pany, but he fears the long arm of Uncle
Sam.

When occasion demands its use, try
Do Witt's Witch Hazel Salve. It is
cooling to burns, stops pain instantly,
cleanses, a perfect healer for scalds or
skin eruptions. Always carries pills.

COUNTY VALUATION

Completed by Assessors Blan-
chard and Anderson.

THE FIGURES SHOW AN INCREASE

In Both Personal Property and Real
Estate and in the Country as Well as
the City District—A Grand Total of
Over 21,000,000 Dollars of Assessed
Property Shown by the Returns.

County Assessor Blanchard com-
pleted his assessment of property in the
city several days ago, and yesterday
Assessor Robert Anderson brought in
his books. Below will be found an in-
teresting resume of the figures of both.
These are of course subject to modifica-
tion by the county board of equalization
and appeals, but the figures approxi-
mate the final results, and are comfort-
ing as showing an increase. As usual
both assessors got up their books in
commendably neat form and the work
was completed in very good time.

FATHER BOUTLON'S SUCCESSOR

At Moundsville Named by the Bishop—He

is Rev. R. E. O'Kane.

When Bishop Donahue recently
named Rev. Father Boutlon, who had
for many years been rector at Moun-
dsville, as rector at the Cathedral, it was
announced that Father Boutlon's suc-
cessor at Moundsville would soon be
named. The bishop has made public
the appointment, which was made
Wednesday evening. The appointee is
Rev. Robert E. O'Kane, one of the
youngest of the Cathedral clergy. Father
O'Kane for some time past has been
Bishop Donahue's secretary and his ap-
pointment to the post at Moundsville,
it is said, came to him rather unex-
pectedly. Father O'Kane went to
Moundsville yesterday and will at once
take charge of the parish, which in-
cludes in addition to Moundsville, the
towns of Sistersville, New Martinsville
and Cameron.

Father O'Kane, who is a son of Post-
master M. J. O'Kane, was ordained
about four years ago by Bishop Kain.
He was at first assistant at Clarke-
burg, and later occupied a similar po-
sition at Charleston. From Charleston he
returned to Wheeling, becoming Bishop
Donahue's secretary. The young priest's
many old friends in Wheeling are glad
to hear of his appointment to the
Moundsville post.

THE EYES.

It has been demonstrated that there is
more eye and head aches from the defects
of refraction and the use of glasses not
properly adjusted than from all other
causes, and that it is absolutely necessary
to have the eyes scientifically and skillfully
examined and fitted with glasses to secure
relief and prevent injury.

Those needing spectacles, or their eyes
tired or head aches when reading or sew-
ing can consult and have their eyes exam-
ined for glasses without charge by Prof.
sheff, the Scientific Optician, 1115 Main
street, next door to Snook & Co.
